SAP® Qualified
Partner-Packaged Solution
for the Intelligent Enterprise

YASH
Technologies
More than what you think.

As a trusted Global SAP® Partner, YASH Technologies helps organizations operate with greater agility, make faster decisions, and collaborate seamlessly with their value chain. YASH offers comprehensive, tailored, and future-proof SAP services to enable customers to simplify their business operations, drive innovation and grow revenues. With a specialized global resource base of 4000 SAP consultants dispersed across six continents and 43 delivery centers, YASH is well-positioned to design, implement, and maintain complex SAP solution landscapes and help customers realize exceptional business value.

YASH Industry Solutions, including WholesaleOne, combine the in-depth YASH Industry expertise and SAP S/4HANA Best Practices to offer pre-configured solutions that focus on the business needs of specific industries. Built on SAP S/4HANA, the in-memory ERP Suite that acts as the Digital Core of the entire enterprise, it supports the Internet of Things (IoT), Big Data, real-time analytics, mobile business networks, third-party systems, etc. and helps customers drive enterprise-wide business transformation.
